Roseville Thunder All-Stars is an All-Star team as defined by USA Softball of Sacramento's All-Stars Program guidelines. This program is affiliated with the RGS youth recreation program. Unlike the RGS recreational program, players are not guaranteed minimum playing time; however, the coaches will, in exercising their discretion, make various decisions which will provide for playing opportunities as they see fit. Playing time will be determined by several factors, including but not limited to, the coach's assessment of ability, game performance, attendance, practice performance, attitude, and dedication.

The Roseville Thunder All-Stars season begins mid-May and concludes after USA Softball Nationals and the California State Games in late July or early August. Players entering in this contract are committing to the full season of play with their All-Stars team.
