Section II: Umpires

Roseville Girls Softball hires local youth and adults to perform umpire duties for League games. This has ensured a high level of consistency in rule enforcement and interpretation. Most youth umpires are current and former players in the League, many of whom are currently playing at the high school level. The umpire program is a training program designed to teach life skills to the participants of the program. Consistent with recreational philosophy, the umpires in this program are part of the League's efforts to support youth development.

Youth Umpires

The Roseville Girls Softball umpire program accepts youth umpires that are aged 10 years or older as of December 31st, prior to the start of the Spring season.

Adult Umpires

The Roseville Girls Softball umpire program accepts adult umpires (18 and older) that register and attend RGS umpire training. All adult umpires will need to be registered with USA Softball which includes a background check and SafeSport certification.

Umpire-In-Chief

The Umpire-In-Chief (UIC) Is responsible for supervision, training, and scheduling for umpires. The UIC also has the responsibility to rule on all protests. By local rules, the UIC may umpire in a regular game. In the event of a protest during that game, the Assistant UIC (or other appropriately elected Board Member) will act as Umpire-In-Chief for the purpose of settling that dispute. The UIC receives a stipend of \$2,500 per calendar year.

Assistant Umpire-In -Chief and Umpire Leadership

The Assistant Umpire-In-Chief (AUIC) is responsible for assisting in the supervision, training, and scheduling of umpires. By local rules, the Assistant Umpire-In-Chief may umpire in a regular game. The Assistant UIC receives a stipend of \$750 per calendar year. Umpire Leadership receives a stipend of \$600 each per calendar year.

Levels of Umpires

Junior Umpire: A Junior Umpire is any umpire that has joined the Roseville Girls Softball Umpire Program and has not been promoted to Mid-Senior or Senior status by the Umpire-In-Chief. A Junior Umpire is qualified according to their rule knowledge and mechanics. A Junior Umpire can advance as they desire, so long as they are not working in a division that they play in or would be playing in if they played.

Advanced Junior Umpire: An Advanced Junior Umpire is a Junior Umpire that is trained in and consistently works in the 12u division or below. The Advanced Junior Umpire is a Junior Umpire that is being evaluated by the Umpire-In-Chief and the Assistant Umpires-In-Chief for promotion to Mid-Senior status.

Mid-Senior Umpire: A Mid-Senior Umpire is an Advanced Junior Umpire that has been evaluated by the Umpire-In-Chief and the Assistant Umpires-In-Chief and invited to join the Senior Umpire crew. A Mid-Senior Umpire must complete one season as a Mid-Senior Umpire before full promotion to the Senior Umpire is offered (this is a “probationary” period to see if the Mid-Senior Umpire is ready and qualified to become a leader in the program). Mid-Senior Umpires are responsible for assisting in running training stations under the supervisor of a Senior Umpire, training Junior Umpires in the lower divisions, and being qualified to work all divisions of play offered by Roseville Girls Softball.

Senior Umpire: A Senior Umpire is a Mid-Senior Umpire that has completed their “probationary” year and invited to full Senior Umpire status by the Umpire-In-Chief and Assistant Umpires-In-Chief. Senior Umpires oversee guiding the Mid-Senior Umpires in the new task of training Junior Umpires, running training stations under the supervision of the UIC and AUICs, training the Junior Umpires through the Mid-Senior Umpires in all divisions, and being qualified to work in all divisions of play offered by Roseville Girls Softball.

National Senior Umpire: A National Senior Umpire is a Senior Umpire that has attended a National Umpire School. A National Senior Umpire has all responsibilities and qualifications of a Senior Umpire as well as being qualified to work at National Tournaments hosted by USA Softball.

Umpire Training

All umpires will be required to attend training prior to the start of each season. For the Spring Season, training is open to all interested, registered individuals and will begin in January. Training includes both classroom and field work.

The Spring Training program will include Program Orientation, Senior Training (open to select individuals as determined by the UIC), and program training. All returning and prospective umpires will be required to attend training sessions, successfully complete evaluation and testing to establish eligibility to work as an umpire and be cleared by the UIC and/or AUIC before assignment. A list of training dates and activities required will be provided prior to the start of training.

During the spring season, Umpire Leadership may offer additional training sessions to refresh and address any rule clarifications and mechanics.

Prior to the fall season, Umpire Leadership may offer additional training sessions to address NorCal's specific rule set. Umpires wishing to work the fall season must attend at least one training session.

Umpire Job

Umpires are expected to be at the field at least 15 minutes before the start of the game. They must inspect the field and player equipment to be used in the game (bats, helmets, etc.).

A meeting will take place at home plate prior to the start of all games. Two badged team representatives must attend the plate meeting to review local rules and answer any questions.

Once the game begins, the umpire is in charge. During the game, if there is a need to ask questions, only one badged representative of a team is authorized to talk to the umpire during the game.

The umpire is directly responsible for ensuring a smooth flow of the game and for making all calls and rule interpretations necessary during play. Should disputes arise, the umpire's decision is final. If the team representative feels a decision has been made that is not within the rules, a formal protest may be entered (see Bylaws).

All umpires shall complete a postgame report in TeamSideline within 48 hours of the assignment. Failure to complete reports within this time frame will result in delays or non-payment of assignments and/or a reduction in scheduled assignments.

Responsibility toward Umpires

It is the duty of all associated with the League to recognize that program umpires are young individuals doing their very best. All participants must keep this in mind during games and will, always, conduct themselves in a manner above reproach. League members and/or spectators should never approach an umpire after a game to discuss calls.

- Adult and Senior Umpire USA Certified: \$60

Bonus Program

For non-Senior Umpires, a bonus of \$45 will be given at the end of the season for all Junior Umpires with a minimum of 10 games worked (excluding tournaments), provided the post-game report was completed for each game. The bonus is awarded for umpires that worked their assigned games and did not have any “no-shows” during the season. With one “no-show” the bonus is cut in half. With two “no-shows” the bonus reverts to \$0. With three “no-shows,” the umpire will be dropped from the program.

Fall Ball

Solo umpires shall be paid consistent with the prevailing rates as established by NorCal Girls Softball Association. Umpires scheduled a game with two umpires working shall split the prevailing rate for that game.

Remember, confidence builds confidence.

The assistant coach may be male or female and must be at least 18 years old at the time of registration.

Responsibilities within the Coaching Staff

- The assistant coach will be responsible for helping the coach in training, instructing, and teaching players the fundamentals of softball.
- The assistant coach will take over the duties of the coach if the designated coach is unable to attend a practice or a game.
- The assistant coach is expected to attend the coach clinics offered by the Roseville Girls Softball League.

The Junior Coach

The junior coach may be a male or female and must be assisting in a division lower than their own.

Responsibilities within the Coaching Staff

- The junior coach will help the coach in training, instructing, setting up stations, field prep, and teaching players the fundamentals of softball.

- The junior coach should not be left in charge of a practice, game, or dugout.
- The junior coach is only permitted to assist on the field and dugout when the head coach and/or manager are present.
- The junior coach must pay for insurance and is not counted in the Core 4 staff.

Characteristics of Good Coaches

Previous coaches have listed the suggestions below as important characteristics of good coaches.

- Listen to staff and players.
- Set good examples. Treat players, staff, parents, and League officials with dignity and respect.
- Never belittle anyone, especially players and officials.
- Establish ground rules and expectations up front.
- Distribute time and attention to all players. The best way to accomplish this is to plan practices ahead of time. Make sure every girl receives positive instruction during every practice.
- Above all, have fun. Develop team spirit. Remember, softball is a game, not life and death. Treat it as such, have fun, and enjoy the game.

Other Team Support

In addition to the Core 4, each team should have the following volunteers to fulfill other duties throughout the season to help with team responsibilities.

Scorekeeper

All 10u-16u teams are required to have an official team scorekeeper (exception: 8u requires a scorekeeper in the Fall Season). Managers must ask for a parent or other adult volunteer at the initial team meeting to fill this position (teams may have more than one to share the duty, but at least one is required).

Each team will be issued 1 scorebook.

During games, the home team scorekeeper will keep the “official” game book. All scorekeeping disputes and questions will be answered according to that book. It is important not to lose this book, as it contains the record of all games played by the team.

The Scorekeepers Job

- The official scorekeeper is expected to sit behind the backstop near home plate. Scorekeepers from each team are encouraged to sit together.
- Teams must submit their lineup cards to the scorekeeper 15 minutes prior to the start of the game. The lineup becomes the official batting order. All pitching changes must be reported and recorded by the scorekeeper.
- The home scorekeeper’s book will be used to settle any disputes or protest.
- Gamechanger may also be used at the expense of the team and is not provided by the League. Should Gamechanger be used, a report must be generated to settle a dispute.

Scorekeeper Clinic

- A scorekeepers training session will be offered before the Spring season begins. Each scorekeeper will receive complete instructions on the role, instruction on keeping a scorebook, and instruction on completing the required game forms.
- At least one representative from each team is required to attend.

Field Crew

During regular season play and opting during tournaments, teams are required to set up and take down fields prior to and immediately after each game.

- Field setup includes dragging and/or raking, chalking, and staking bases and the pitching rubber.
- Takedown involves removing the bases and pitching rubber and locking all league equipment safely in the RGS equipment boxes.
- Setup is assigned to the home team, and so the brunt of the field crew work is on the home team.

Teams should identify at least two volunteers from the team to act as a field crew so that coaches and managers can commit their time to the players and other pregame administrative activities.

Part 2: Removal of Team Staff

See Bylaws (Article VIII, Section I).

Section IV: The Players

Section VI: The Seasons Summary

Part 1: Fall Season

The fall season of play will run from August to October. The fall season is open to players in the 8u, 10u, 12u, 14u, and 16u divisions.

The fall season is a more competitive recreational program in which teams from the League play against teams from regional and neighboring leagues. Coaches in this program can submit a requested roster of players and teams are then classified for play during the season.

Roseville Girls Softball observes NorCal Girls Softball rules during this season.

Part 2: Spring Season

The spring season of play will run from February to May. The spring season is open to players in the 6u, 8u, 10u, 12u, 14u, and 16u divisions.

This spring season is open to all players of varying skill levels and experience across all age divisions with a focus on recreational development. Each registered player is placed on a team following the RGS team formation process as laid out in Section VII.

Roseville Girls Softball observes RGS Playing Rules during this season.

Part 3: Summer Season

Thunder Select and Thunder All Stars teams are formed according to guidelines established by USA Softball of Sacramento.

Thunder Select teams form in January and play through July. Thunder All-Stars teams form at the conclusion of the spring recreational season and play through July.

Thunder teams follow USA Softball Tournament Rules during this season. Individual tournaments may have their own rules.

Section VII: Spring Team Formation

Part 1: General Information

Participants will be selected for a new team each year. The Board reserves the right to make any changes to this process as needed.

Age Divisions

Age divisions are set by USA Softball. The division a player will play in is determined by their age as of August 31st prior to the calendar year for which they are signing up to play.

- T-Ball: ages 4-5
- 6u: ages 5-6
- 8u: ages 7-8
- 10u: ages 9-10
- 12u: ages 11-12
- 14u: ages 13-14
- 16u: ages 15-16

*T-Ball and 6u may be combined if necessary, due to low enrollment.

* 14u and 16u may be combined if necessary, due to low enrollment.

Move-Up Requests

A move-up request must be filled out during the designated period set forth by the League. To be considered for a move-up request, players must have played a minimum of two seasons in their current age division. Meeting minimum qualifications does not guarantee an approved move up request; the Board will review all requests and approve them on a case-by-case basis.

Number of Players per Team

The number of players per team will be determined by the Board for the current season's enrollment. As a general guide, the League will make every effort to use the following numbers:

- T-Ball: 8 players
- 6u: 8 players
- 8u: 12 players
- 10u: 12 players
- 12u: 12 players
- 14u: 12 players
- 16u: 12 players

Registration Issues

Any player that registers after the draw will be placed on a team by the Board based upon need, if spots are available.

If all registered players cannot be placed onto teams due to lack of coaching or any other reason, priority will be given to players with parental coaches or by date of registration.

Part 2: Pitching Rankings

Players who wish to pitch must declare this during the registration period. The League will conduct pitching evaluations prior to the start of the spring season so that pitchers can be rated for the purposes of the draw. Players in the 8u division will be asked to attend by invitation only based on registration questions.

The Board will select a committee to conduct pitching rankings. Coaches will be asked in the summer and fall season who their primary pitchers were for the season. Those pitchers will be required to attend pitching evaluations for the spring season.

Pitchers will be rated into the following categories based on various criteria including experience, age, athletic ability, and skill level.

8u

- Pitcher
- Still Developing

10u/12u/14u/16u

- P1: Strong pitcher
- P2: Developing pitcher
- Unranked: Not assigned as a pitcher

If a player that has been identified as a pitcher does not want to pitch for the current season they will be designated as a non-pitcher for the draw, and they will not be permitted to pitch in any official game.

Those identified as pitchers but only want to pitch 1 inning per game for the entirety of the season, will still need to attend pitching evaluations.

Those identified as pitchers from prior coaches but do not attend pitching evaluations will be required to complete a no pitch contract or may be assigned as a pitcher by the Board of Directors under special circumstances.

Part 3: T-Ball and 6u Team Formation

The T-Ball and 6u divisions are considered non-scoring divisions and therefore teams are formed through coach request and guided team placement.

Coaching Pairings/Player Request

A manager and head coach may request to be placed together on the same team. The coaching staff may turn in a list of players they would like on their team prior to the end of the registration period.

Buddy Requests

Each player in the T-Ball and 6u divisions are allowed to request one buddy; no daisy chains will be allowed, and the buddy request must be reciprocated. The Board will make every effort to honor buddy requests.

Sisters

Sisters in the same age group will be placed on the same team and do not count toward buddy requests. The T-Ball and 6u divisions are considered separate divisions.

The Draw

Players in the T-Ball and 6u divisions that are signed up but not specifically requested by a coach will be placed onto a team by the Chief Player Agent and the 6u Player Agent. There is no public draw. The board will form teams based on:

- Coach request
- Buddy request
- School of attendance
- Listed schoolteacher

Part 4: 8u Team Formation

The 8u division is considered a non-scoring division and therefore the teams are formed through a guided team placement.

Coach Pairings

A manager and head coach may request to be placed together on the same team. If this causes an unfair advantage (for example, if both the coach and manager have daughters who are pitchers and there are not enough pitchers for all teams to have at least one), then the request may be denied.

Buddy Requests

Each player in the 8u division is allowed to request *one* buddy; no daisy chains will be allowed, and the buddy request *must* be reciprocated.

Buddy request may not be honored if it causes a team to have an unfair advantage (for example, if there are not enough identified pitchers for every team in the division to have one pitcher). Buddy requests are not guaranteed, but the Board will make every effort to honor buddy requests.

Sisters

Sisters in the same age group will be placed on the same team and do not count toward buddy requests.

The Draw

The 8u division is a non-competitive division and teams are put together by the Chief Player Agent and the 8u Player Agent based on the following criteria:

1. *Coach Pairing*: The head coach and manager's daughters will be placed on the team first if pairing does not cause unfair advantage (see "Coach Pairing" above)
2. *Buddy Requests*: Buddy requests for the coach and manager's daughters will be fulfilled if pairing does not cause unfair advantage (see "Buddy Requests" above)
3. *Pitcher Draw*: Coaches and managers will attend a remote meeting where teams will pick in a random order set forth at the beginning of the meeting.
 - a. Coaches and managers will be able to select from a pool of unassigned players that attended pitching evaluations.
 - b. If a team already has one or two pitchers based off coach pairing or buddy requests, that team will not be permitted to select a pitcher until all teams have at least one pitcher.
 - c. The head coach holds the final decision for vote.
 - d. If a team does not have a representative the Player Agent will assign a pitcher.
 - e. There can be no more than one pitcher per team unless every team already has one pitcher assigned.
 - f. No pitching trades will be permitted.
4. *Sister Request*
5. *Thunder All-Stars*: Thunder players will be distributed equally amongst the teams. Note: A team may have up to two Thunder All-Stars players (except if the players are pitchers) based off coach pairings, buddy requests, and sibling requests, even if there are teams without one assigned.
6. *School of Attendance*: The Chief Player Agent and the 8u Player Agent will attempt to group players together based off neighborhoods and schools of attendance while distributing experienced and inexperienced players.
7. *Guided Placement*: The remaining players and division will be placed onto teams by the Chief Player Agent and the 8u Player Agent with the best attempt to create fair and equitable teams.

Part 5: 10u/12u/14u/16u Team Formation

The 10u, 12u, 14u, and 16u divisions are considered scoring divisions and therefore the teams are formed through a blind draw.

Coach Pairings

A manager and head coach may request to be placed together on the same team. If this causes an unfair advantage (example, both are P1 pitchers and there are not enough P1's for all teams to have at least one), then the request may be denied.

Buddy Requests

There are no buddy requests allowed in these divisions.

Sisters

Sisters in the same age division will be placed on the same team.

The Draw

Teams in the 10u, 12u, 14u, and 16u divisions are formed by a blind draw as required by USA Softball. Every attempt will be made to ensure that the teams are as evenly balanced as possible.

The team representative will select a random number to determine team number.

- Coach Pairings: The head coach and manager's daughters will be placed on the team first if pairing does not cause unfair advantage (see "Coach Pairing" above)
- Open Pick: One round of open picks will occur where the head coach or manager can pick a player from any category.
 - The open picks will go in the order of the random number selected at the beginning of the draft.
 - The pick cannot be a duplicate pick from a primary category (P1, Thunder Select/All-Stars, Catcher) if there is not enough for each to have a minimum number of 1 player from that category.
 - The head coach ultimately holds the decision-making power in selecting the open round pick if they and the manager do not agree on said pick.
 - If there is a team without an assigned head coach or manager and/or a team representative who does not attend the draft, they forfeit their right to the open pick.
- The remaining players are distributed randomly by category.
- No team receives a second player from the same category until each team has at least one.
- Players will be drawn in the following order:

10u Draft Order	12u Draft Order	14u/16u Draft Order
P1	P1	P1

P2	P2	P2
10u Thunder	12u Thunder	14u/16u Thunder
8u Thunder	10u Thunder	12u Thunder

1 st year 10u without experience	1 st year 12u without experience	1 st year 14u/16u without experience

Section VIII: Fall Ball Team Formation

Part 1: General Information

Participants will be selected for a new team each year. The Board reserves the right to make any changes to this process as needed.

Age Divisions

Age divisions are set by USA Softball. The division a player will play in is determined by their age as of August 31st of the current calendar year for which they are signing up to play.

- 8u: ages 7-8
- 10u: ages 9-10
- 12u: ages 11-12

*14u and 16u divisions may be combined due to low enrollment.

Move-Up Requests

A move-up request must be filled out during the designated period set forth by the League. To be considered for a move-up request, players must have played a minimum of two seasons in their current age division.

Meeting minimum qualifications does not guarantee an approved move-up request; the Board will review all requests and approve them on a case-by-case basis.

Number of Players per Team

The number of players per team will be determined by the Board based on the current year's enrollment. As a general guide, the League will make every effort to use the following numbers:

- 8u: 12 players
- 10u: 12 players
- 12u: 12 players
- 14u: 12 players
- 16u: 12 players

Registration Issues

Any player that registers after team formation will be placed on a team by the Board based upon need if spots are available.

If all registered players cannot be placed onto teams due to lack of coaching or any other reason, priority will be given to players with parental coaches or by date of registration.

Part 2: Team Formation

Coaches shall submit a list of players and volunteers they are requesting for the team. Every attempt will be made to ensure that the requests are accommodated. The Chief Player Agent will place unpaired players on teams to fill teams as necessary.

Section IX: Thunder Program

Part 1: General Information

The Thunder (Select) and Thunder (All-Stars) programs are Select “B” programs. The Thunder programs are not travel ball programs. They are designed to provide an “ADDITIONAL” opportunity for players who wish to improve their softball skills beyond the regular recreational season but who have not yet reached Junior Olympic “A” classification skill level. The Board reserves the right to make any changes to this process as needed.

Programs

There are two Select “B” programs offered to participants.

- *Thunder Select:* Teams are formed in November/December/January and participate in a set tournament schedule as determined by USA Softball. The season is from January – July. Thunder Select players shall participate in the spring recreational league.
- *Thunder All-Stars:* Teams are formed in May at the conclusion of the recreational season and participate in tournaments held by USA Softball. This season is from May – July. Thunder All-Stars players shall participate in the spring recreational season.

Age Divisions

- 8u: Ages 7-8 (no Select program available, only All-Stars)
- 10u: ages 9-10
- 12u: ages 11-12
- 14u: ages 13-14
- 16u: ages 15-16

Move Up Requests

A move-up request must be filled out during the designated period set forth by the League. To be considered for a move-up requests, players must have played a minimum of two seasons in their current age division. Meeting minimum qualifications does not guarantee an approved move up request; the Board will review all requests and approve them on a case-by-case basis.

Eligibility

Any player that lives or goes to school within the Roseville Girls Softball boundaries is eligible for participation in the Thunder Program. There are no waivers allowed for Thunder team participation.

- Players must meet all eligibility guidelines set forth by USA Softball.

- Players may not be participating with any other team.
- Players will need to provide proof of age verification.
- Players must reside or attend school within the defined RGS boundaries.
- Players will need to provide proof of residency verification.

Number of Teams and Participation

There will be one Thunder Select team per division (10u, 12u, 14u), unless the formation of a second team is approved by the Board.

There will be one Thunder All-Stars team per division (8u, 10u, 12u, 14u, 16u) unless the formation of a second team is approved by the Board.

To be eligible to try out for a Thunder Select team, players must be registered to participate in the spring recreational league. All players on the Thunder Select roster must be drafted onto an active regular recreation league team.

Part 2: Coach and Manager Selection

All prospective coaches and managers must apply for consideration. The Thunder Player Agent will select an independent panel to conduct interviews with all applicants. The panel will select coaches and managers for all teams. The RGS Board does not select any of the coaching staff. Coaches and managers will be announced prior to tryouts.

Part 3: Tryouts

The Thunder Select and Thunder All-Star programs are competitive programs and players must try out and be selected to a team. All players wishing to participate in the Thunder program must attend tryouts. All players will be evaluated for basic softball skills like running, bunting, hitting, throwing, infield, and outfield. Pitchers and catchers will also be evaluated as part of the tryouts.

All prospective players will be assessed by an independent panel of evaluators, as selected by the Thunder Player Agent. Each player will be ranked based on the scores from their tryout. The evaluators will compile all scores and provide a ranked list of players to the Thunder Player Agent.

All player rankings and evaluation scores are strictly confidential and will not be released to anyone other than head coach and manager. The head coach and manager must also keep the rankings and evaluation scores strictly confidential and may not release them to anyone.

If selected to a team, players will be notified within one week of tryouts.

Part 4: Team Formation

The number of players per team will be determined by the Thunder Player Agent in conjunction with the individual head coaches. As a general guide, teams usually consist of 12 players. At the discretion of the Head Coach, in consultation with Thunder Player Agent, a team may add a 13th player in accordance with the team formation process:

When forming one Select or All-Star Team per division, the top 8 ranked players will be automatically offered a place on the roster. The Coach will select the remaining players (who attended tryouts) to complete the team roster.

When forming two Select or All-Star teams per division (if approved by the Board), the top 8 ranked players will be automatically offered a place on the roster of the Red Team based on their overall score. The coaching staff will select additional players from the pool of evaluated players to complete a Red Team roster of 12 (or 13) players. Once the Red Team is formed, this process will

be repeated for the Blue Team.

Changing Teams/Player Withdraws

If a player declines an invitation to play on a Thunder All-Star team, they are not eligible to participate on a different Thunder All-Star team during the same season.

Thunder Select players are not eligible to participate in Thunder All Stars during the same year, but exceptions may be considered under limited circumstances. A player may request to withdraw from the Select team and be considered for All-Star tryouts if there is a compelling reason to do so. The request must be submitted in writing to the Thunder Player Agent and will be reviewed by the Board. Approval is not guaranteed. The decision will take into account the best interests of the player, the integrity of both programs, and the impact on team rosters. Requests must be submitted prior to All-Star tryouts and will be evaluated on a case-by-case basis. Board decisions are final.

Should players drop from the team during the season, the coach may select player(s) from within RGS as approved by the Board.

Part 5: Practices and Games

Practices

Select teams may begin practices in December. Practices will be scheduled through the League based on field allocations and availability.

Prior to the recreational season, there are no practice limitations for Thunder Select teams. Once recreational season practices start, Select team contact is limited to 1 day per week. USA Softball Select events do not count as a contact. Select practices cannot conflict with any League events including practices, games, or special events. Contact is defined as any team meeting or activity.

All-Stars practices will begin in May. Practices will be scheduled through the league based on field allocations and availability.

In the summer season, after the conclusion of the Spring Season, there are no limitations to the number of contacts per team for Select or All-Stars.

Games

Thunder teams (Select and All-Stars) will play in tournaments scheduled and managed through USA Softball with the goal of qualifying for either the CA State Games (8u) or Western Nationals (10u-16u).

Teams may choose to play in additional tournaments at their discretion, but may only participate in USA Softball tournaments.

Part 6: Financial Policies

General Program Funding

The Thunder program is designed to be self-sustaining through registration fees. In collaboration with the Thunder Player Agent, the RGS Board will approve an annual budget, which will inform the registration fees for that fiscal year. Expenses beyond the approved budget may be covered through fundraising efforts or sponsorships.

General Program Expenses

Whenever possible, necessary team items (e.g. uniforms) should be purchased by the appropriate

RGS Board Member using RGS funds and approved vendors. If actual costs come in under budget, the remaining funds will not be reimbursed to the team. RGS will make every effort to fully utilize allocated funds for each budgeted item. Any necessary adjustments will be addressed in the following budget cycle.

Team funds must be used before the end of the season. Any money remaining will be transferred to the fundraising teams associated program (e.g. Thunder team funds will revert to the League budget to benefit the Thunder program).

Team funds will not travel with the team after the season the funds are earned or if the team exits the program before the end of the season.

Thunder teams are allowed to raise funds for operational expenses so long as funds are equally dispersed across all players from the team or program completing the fundraising.

Money must be safely and properly accounted for. Funds are to be held in RGS bank accounts and accounted for using the financial management policies set forth by the RGS Treasurer.

Any individual(s) not adhering to the policy are subject to disciplinary actions determined by the RGS Board.

Team Discretionary Funds

If the approved annual budget includes team discretionary funds, team managers are responsible for tracking these funds and providing regular updates to the RGS Treasurer for reconciliation.

Teams may use their discretionary funds for League appropriate items that benefit the team or program as a whole. If the balance of the discretionary funds at the end of the season exceeds \$20 per player, RGS will reimburse or credit each player equally in the amount of the remaining funds, not to exceed one-fourth of registration fees.

Should discretionary funds remain after reimbursement they will be absorbed by the League. Teams are encouraged to use these funds and not leave a balance.

Financial Tracking

All teams are required to monitor and track team financials in collaboration with the League Treasurer. The Treasurer will provide a tracking form for each team. All monies raised through fundraising, sponsorship, or donations must be tracked and reconciled with the Treasurer for the duration of the season.

Revenue, expense tracking, and reimbursements must follow the process set in place by the RGS Treasurer. All receipts and reimbursements must be submitted to the RGS Treasurer within 30 days of either the end of the season or upon team disbandment.

Team Sponsorships

All teams are required to secure at least one sponsor to support program funding. These funds go into overall program funding and may not be used for discretionary purposes. Additional sponsorships can be obtained to support team discretionary funds.

Sponsorship packages and benefits are determined by the Board and will be communicated to the teams at the start of the season. All sponsorship funds must be tracked and reported to the Treasurer and Sponsorship Coordinator.

Team Fundraising

Thunder teams are allowed to fundraise to help their team raise money for season expenses.

Funds must be used for approved expenses and benefit players in a fair and equitable way.

Teams must receive approval from the RGS Board before fundraising, soliciting, requesting, or accepting donations of any type and follow the RGS Fundraising Policy outlined in Section X of this document.

- The Board will provide a list of approved fundraisers to all teams at the start of the season. Additional ideas may be submitted to the Board for consideration and approval.
- Teams must notify the Thunder Player Agent of all fundraisers to ensure awareness of program activities.
- Fundraisers must be done on behalf of the whole team and not individual players.
- Fundraising materials must be approved by the Board to ensure proper use of the RGS logo and other information.
- Fundraising money must be safely and properly stored and accounted for, per the RGS Fundraising and Sponsorship Policy. Team managers are required to manage the tracking of these funds and provide updates to the RGS Treasurer for reconciliation.

Section XIV: Playing Conditions

Part 1: General AQI Policy

The league will monitor AQI daily when conditions require it. Communication will be sent to the coaches/managers for all teams at or around 3pm informing teams of RGS allocated field status, including if fields are closed or scheduled for reinspect. The AirNow app will be used as the official monitoring system. The full City of Roseville number will be used, not individual neighborhood numbers.

Reinspect

If the AQI is over 100, the League will enter “reinspect” and teams are responsible for checking the AQI numbers before the start of practice and each half hour during practice. If the City of Roseville’s AQI reaches over 150, then the coach/manager should immediately end practice.

The Board may send additional communication to cancel practices if the City of Roseville’s AQI is over 150 for the AirNow.gov app.

Fields Closed

If the AQI for the City of Roseville is over 150, RGS allocated fields are closed for all League activities for all divisions and levels of play. If a “reinspect” email or text is sent, and conditions worsen to over the 150 thresholds, the Board will inform the coaches/managers that the field status has been updated to “Closed” and all League activities should end immediately.

If teams are playing on a non-RGS allocated field (example: neighboring league game or tournament), the team will defer to the hosting league’s AQI policy. The team coaching staff is

empowered to make decisions that best protect the safety of the athletes.

Part 2: Weather and Field Conditions
